"We need to create games to get people involved at an earlier age and in a much easier way. **BLASTBALL!®** is a simple way to get people excited about baseball/softball. I find it very exciting!"- **Jim Lefebvre, Major League Hitting Instructor, Manager, and former Los Angeles Dodger**

"Running, Jumping, Yelling, Laughing, **BLASTBALL!®** is truly a fun activity for youth with short attention spans. Orders already are being received from Europe where it will be used to introduce and grow baseball/softball in the club system and schools. This game is sorely needed to regain interest in a bat and ball game here in the United States." - **Bill Arce, International Sports Group, California Inducted to American Baseball Coaches Assoc. Hall of Fame**

"An innovative, better way to introduce a bat and ball concept to young children. We had over 300 excited participants the first year we ran this program. **BLASTBALL!®** uses minimal structure, small team sizes, and faced-pace fun!" - **Todd Schenk, Iowa Parks and Recreation Assoc., Ankeny, IA**

"Before my 5 year old started playing **BLASTBALL!®** she never cared about a bat or ball. After playing **BLASTBALL!®**, all she wants to do is watch baseball on T.V. and play it in the backyard." - **Steve Schoeman, parent, Kansas City**

"**BLASTBALL!®** is an awesome game and the honking base is really cool." - **Connor Bravard, BLASTBALL!® player, IA**
